Description	Quantity
-------------	----------

**Know who you're buying from.**

Stick to well-known brands and search reviews from other customers.

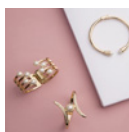

1

**Beware of fake websites.**

Look out for offers that are too good to be true and install anti-virus software to flag untrustworthy sites.

1

**Use secure payment methods.**

Pay by PayPal, BPay or credit card and never send your bank details via email.

1

**Lookout for fake parcel delivery notifications.**

Think before you click - remember Australia Post will never ask you to click a link to enter your personal or financial information.
